

## **School Counselor/Clinical Therapist Job Description**

### **About Monument Academy**

Monument Academy has established an innovative model integrating tailored academics with evidence-based, trauma-informed practices. Monument Academy opened in 2015, and will have 110 students spanning 5th-8th grade in 2020-2021 school year. The mission of Monument Academy is to provide students, particularly those who have had or might have contact with the foster care system, with the requisite academic, social, emotional, and life skills to be successful in college, career, and community, and to create an outstanding school that attracts, supports, and retains exceptional and caring people. Monument Academy will fulfill its mission by providing stability, adult connection, high-quality academics, therapeutic support, and life skills for pre-teens and teens. Monument Academy graduates will be prepared for post-secondary education, on a career trajectory, and have the social, emotional, and self-care skills to maintain a healthy, connected, and economically self-supporting life.

### **About the Position**

As a member of the Well-Being department, the school counselor will join a team of multiple clinicians, including counselors and social workers. Monument's Well-Being department provides a wide variety of in-school services and programs, including (but not limited to) individual and group therapy, a student wellness lounge, restorative justice practices, and parent support services.
